Case No. AP-2002-104

By application accepted for filing September 19, 2002, L&N Transportation Company, Inc., seeks to add a seating capacity restriction to Certificate of Authority No. 254. The restriction would confine applicant's operations to vehicles with a seating capacity of less than 16 persons, including the driver, thereby reducing from \$5 million to \$1.5 million applicant's minimum insurance obligation under Commission Regulation No. 58.

Under Article XI, Section 10(b), of the Compact, the Commission may amend a certificate of authority upon application by the holder. The sworn application states that applicant has sold the only vehicle in its fleet exceeding the seating capacity restriction and that the L&N logo has been removed. The application is supported by a copy of the notarized bill of sale. Accordingly, the application shall be approved.

THEREFORE, IT IS ORDERED:

1. That upon applicant's timely compliance with the requirements of this order, Certificate of Authority No. 254 shall be reissued, as amended consistent with this order, to L&N Transportation Company, Inc., 4708 Mann Street, Capitol Heights, MD 20743.

2. That applicant may not transport passengers for hire between points in the Metropolitan District pursuant to this order unless and until Certificate of Authority No. 254 has been reissued in accordance with the preceding paragraph.
